RE: MUR 7376

Dear Mr. Jordan:

On behalf of this firm's clients, the Republican Party of Florida and Mike Moberley, in his official capacity as Treasurer, we hereby request an extension of time to respond to the notification from the Federal Election Commission ("Commission") that a complaint was filed against them with the Commission in the above-referenced matter. My clients received the complaint on May 11, 2018, and Statements of Designation of Counsel were immediately executed. Currently, a response must be submitted by May 25, 2018.

We respectfully request an extension of thirty (30) days, or no later than the close of business on June 25, 2018, to provide a written response to the complaint. The extension of time will allow us to fully review and make sense of the multiple allegations raised and documents attached to the complaint covering several years. An extension will also enable us to collect the necessary information to provide the Commission with a thorough and complete response.

Thank you for your consideration of this request, and please do not hesitate to contact me with any questions you may have.

Respectfully,

Benjamin J. Gibson
